

## A M LEGEND

Suggested for Mature Readers

FREE

## BOOK I

A deadly virus has taken hold of the world - rejected by a few (the immune), killing many (the dead), and leaving the rest (the infected) who live on to hunt the living, after dark. The following are voices paying homage to Richard Matheson's classic novel. This is the experience of a dying mankind and the foretelling of a new world before we meet the legend, Robert Neville.
